2020 MORNING CARE

Dear Parent/Guardian

We offer a morning care facility for those parents who wish to drop their children early in order to get to work.

A teacher is on duty from 6:45 at a cost of R100.00 per month, payable in advance and in cash please. If you wish to use the facility now and again, the cost of R5.00 for the morning is payable on that day.

We do not advise leaving your children in the parking lot, as, although we like to think we live in a safe and secure neighbourhood, it's always better to know that your children are being looked after. We have noticed that a number of children are being left in the parking lot before the gate opens at 7:20 in the morning.

Please complete the tear off slip below so we have an idea of numbers, as we need at least five children in order for this exercise to be viable.

Kinbd regards
